Area-2 2m Simplex Net Script (146.445 MHz)

Black text-read every week. *Red text-instruction - do not read aloud.*

This is (name, callsign), net control operator for the Ventura County Area-2 ACS/ARES simplex check-in net.

If there is any emergency or priority traffic before I begin the net, please come now. *(listen for traffic)*

Area 2 serves the Conejo Valley, including Newbury Park, Oak Park, and Thousand Oaks. This net operates every Tuesday at 1850 hours – except for the first Tuesday of every month.

In addition to check-ins on this frequency, we invite you to check-in on the 2-meter band from 1900 to 1925 hours, on the 440 band from 1905 to 1915 hours and on the 220 band from 1915 to 1925 hours. To get frequency information for these nets, go to the Area-2 page on the VC-COMM-DOT-ORG website. That's **Victor – Charlie – Charlie – Oscar – Mike – Mike – DOT ORG**.

When checking in, please give your call sign phonetically, your first name, ACS ID number if you have one, or state that you are ARES or a visitor. State if you have traffic for this net or any traffic to pass on to the county net. Since this is a simplex net, relays are accepted. Please identify your station when relaying another to Net Control.

Any members, guests or visitors wishing to check in please come now.

(End at 1900 hours)

Thank you for checking in tonight and for supporting ACS/ARES. Anyone wishing to join ACS/ARES, please contact the Area-2 Emergency Coordinator, AG6AG. This is (name, call sign) closing the net at _____ hours. The frequency is now clear.
